Primary School Sport Funding Grant 2020-21

Objectives

- To ensure high quality achievement in PE
- To raise the quality of teaching and learning in PE
- To enhance after-school PE provision
- To encourage increased participation in and enjoyment of P.E and extra-curricular sports activities

Summary of allocation spending 2020-21

In 2020/21 the school received an allocation of £16,980. With the disruption of a second lockdown, some of the allocation was spent differently to what was anticipated and will allow a carry over of funding to next academic year.

Therefore, funding contributed towards the following:

- Specialist Sports Teacher to extend and enhance the expertise of staff when delivering Maths on the Move P.E.
- Payment of Specialist Sports Teacher to run extra-curricular sports clubs after school.
- Specialist Sports Teacher to provide active learning during Covid-19 lockdown for Key worker and Vulnerable pupils.
- Purchasing of equipment to enhance quality of PE and Sports Day (due to bubbles and non-sharing of equipment).
- Purchasing new equipment to ensure that children in bubbles had access to equipment to aid physical activity at playtime and lunchtime.

Record of Sport Grant spending 2020/21

Purchase	Cost	Objective	Impact
Sport specialist teacher (Progressive Sport) purchased to provide staff CPD for Maths on the Move.	£6,500	<p>To increase opportunities for cross curricular provision and learning for P.E and maths.</p> <p>To contribute towards improvement in mathematics and P.E post lockdown.</p> <p>To develop pupils' enjoyment of active learning</p>	<p>Pupils reported particularly enjoying the amalgamation of the 2 subjects and those who previously disliked P.E, became more involved during Maths on the Move lessons.</p> <p>Across all year groups there was a positive increase in the percentage of questions answered correctly from the initial assessment to the end of unit assessment.</p>
Specialist Sports teacher purchased to provide extra-curricular clubs	£1,700	To provide opportunities for girls and boys to take part in mixed age extra-curricular clubs.	Due to covid-19, school were only able to provide clubs for limited time. However, they were well attended (full capacity) and a good representation across all year groups and of girls and boys.
Specialist Sports Teacher to provide active learning during Covid-19 lockdown for Key worker and Vulnerable pupils.	£1,800	To ensure that key worker and vulnerable pupils were able to access opportunities for active learning	Funding ensured that all 40 pupils attending provision received weekly exercise and sports

		and exercise during lockdown	
Equipment to enhance quality of PE and Sports Day (due to bubbles and non-sharing of equipment).	£1,200	To ensure that pupils have access to quality and safe resources to use for sports day and PE lessons.	New equipment has allowed us to run a Covid safe sports day with access to all track and field sports included as usual.
Purchase of equipment for each class bubble (5 in total) to ensure that playtimes and lunchtimes provide access to equipment that promotes physical activity.	£1,000	To promote physical activity of children at playtimes and lunchtimes. With decreased space and the fact we could not share equipment between bubbles, extra equipment was needed.	Children were more physically active at break and lunch time.
Total spend	£12, 200		

Sustainability

In order to make these improvements sustainable, we have been committed to ensuring all teachers are fully confident in delivering high quality PE lessons due to the training that they have received. Therefore, for the next academic year, it will not be necessary for us to purchase P.E. CPD, allowing more opportunity to spend the sports premium money on other aspects of P.E. enhancement.

94% can swim competently, confidently and proficiently over a distance of at least 25 metres.

94% can use a range of strokes effectively (front crawl and back stroke)

59% can perform safe self-rescue in different water-based situations
