

Haughton St Giles

Dream to Achieve

Friday 7th January 2022

We wish everyone a Happy New Year and hope it brings you peace, joy and happiness.

Break-time Snacks

We are noticing a number of children with chocolate, crisps or biscuits for their break-time snack. However, please can we remind parents that as we are a Healthy Eating School, children should only be bringing either fruit/vegetables or a breakfast bar for break times.

Thank you for your continued support.

Snow Closure Procedure

In the event of the school not being able to open due to snow, parents will be informed via email and via the school Facebook group as soon as possible (this could be the night before school or in the morning). Please note that as the email will be sent using the normal Parentpay system and due to GDPR, this will be only sent to the main primary contact. Unfortunately, in this case we would not have the facility to inform any secondary contacts, so you will need to pass this information on if required.

We do not take the decision to close lightly, but we must consider the safety of pupils, parents and staff travelling to school. Parents should assume that the school will reopen the following day unless further communication is made to inform you that school remains closed.
